Contextual to Harold's profile
Hi Margaret! I can see you're looking at Harold's care. What would you like to know?
What does Harold's POA allow me to do?
Based on the Financial POA uploaded (March 2023), you have authority to manage bank accounts, pay bills, file taxes, handle real estate transactions, and manage investments.
Note: This does not cover healthcare decisions — that requires a Healthcare Proxy.
